---

Greetings from the Oak Park Middle School Silver Knight Band Program,

Our program serves the children of Oak Park Middle School by providing life changing opportunities and experiences that no other program on campus can provide. These opportunities grow our students' confidence, challenge them to be leaders, and teach them through experiences to be better well rounded people. Band has proven to change and save lives. For many students band is the only reason to come to school.

Unfortunately these experiences are not always financially attainable for a vast majority of our families. This is where we need help from you in the form of sponsorships or donations. Your investment into our children will provide instruments, private lessons, performance experiences, trips, and many other items that are crucial to the day to day operation of a successful band program.

Our major purchase goal this year is two new French Horns which cost \$3,000 each. Many of our current French Horns have been in use for well over two decades.

If you wish to just donate and forgo the sponsor application we are always accepting donations. We can only accept cash, money order, or business checks. We cannot accept personal checks.

It is my hope that you will consider financially contributing to the growth of our future, our children.

On the back of this letter you will find a form and information on how to sponsor or donate to our program.

Sincerely,

David Schoemmell  
Band Director  
Oak Park Middle School  
Leesburg, FL

*Our mission is to provide a caring and supportive atmosphere so that students can reach their fullest potential by supplying a safe, orderly, and academically rich environment*
